RENEWED PETITION UNDER 37 CFR 1.181

The present Renewed Petition is in response to the Decision on Petition under 37 CFR 1.181 mailed on November 7, 2006. The Attorney Advisor considered items (1) and (2) as satisfied, but requested for item (3) a copy of the docket record where the non-received Office action would have been entered had it been received. Such docket entry is attached, marked Exhibit A and B.

Further explanation to satisfy item (3)

(1) Exhibit A shows the docket entry for the above-identified application:

First line of the List of Actions identifies the application as one which is based on a priority, which expires on January 29, 2005 (2nd Col.). The 4th Col. identified as "Action Taken", identifies the date on which the responsible person (Attorney in charge of the application or head docket clerk) has done an act to satisfy the date stated in the 2nd Col. In this case, the application was filed on January 27, 2005.

The 3rd line identified as "RECEIVED MISSING PARTS? 2 MO" means that March 27, 2005 is the second months after filing and the Notice to file Missing Parts is expected "?" means Has the Notice arrives?" The 4th line is a similar reminder.

The 6th line "NM CU1 AWAIT FILING RECEIPT" (meaning that Nanci Manfred has the first "call up", i.e. a check whether a filing receipt has arrived) and the fourth column "Action Taken" shows that no filing receipt had arrived as of September 27, 2005. If it had arrived, the arrival date would have been entered.

The 7th line "RECEIVE MISSING PARTS? 8M" means "has the Notice to File Missing Parts arrived by the 8th months after filing of the application?" If a Notice had been received, the date of receipt would have been entered by the docket clerk Nanci Manfredi under the Action Taken column, however, this space is blank, meaning no such Notice had arrived.

(2) Exhibit B is a print-out of the docket for September 28, 2005 to September 30 2005. If such Notice would have arrived, it would have been placed on the docket as an Action Due Date for September 29, 2005 (plus subsequent extension of time dates would have been triggered). Applicant Attorney knows now that that the not-arrived Notice had a mailing date of July 29, 2005. The two months response date would have been September 29, 2005. However, there is no entry for such due date in Exhibit B, because such Notice had not been received.

Accordingly, Applicant's attorney respectfully requests that the Petition to Withdraw Holding

of Abandonment be granted.

Early and favorable action is earnestly solicited.

Respectfully submitted,

NORRIS, McLAUGHLIN & MARCUS, P.A
